

Ottawa Electronics Club

www.ottawaelectronicsclub.org

This club is for you if

- You don't know anything about electronics but want to learn some cool stuff
- You have electronics training but have been in IT or management and forgot how much fun circuits are
- You'd like to share your EE wizardry by giving some lessons
- Come out, take a lesson, give a lesson, trade parts, learn, meet with other electronics hobbyists and professionals

6:30pm - Third Wednesday of every month

Maker Space North

250 City Centre Avenue

Bay 216 (Up the ramp from South End)

Club membership is free
